

Work Permit

For project work in the laboratories (Section of Chemical Engineering)

Revised September 2013	Date: 5/9-2013	Page: 1/2
Project Title:		
Group No.:	Contact phone:	
	Contact e-mail:	
Main Supervisor:		
Project period: From _____ to _____		
Students:	Admission card No.:	
Lokaler:	<input type="checkbox"/> Chemistry lab (Top floor D-wing) <input type="checkbox"/> Energy lab, C1Chem (Lower floor D-wing) <input type="checkbox"/> The "green" lab (C141) <input type="checkbox"/> Fish lab, Material lab, C1Chem, (C-wing, BIO)	
Used equipment:		
Equipment _____	Room: _____	
Equipment _____	Room: _____	
Equipment _____	Room: _____	
Check list:	<input type="checkbox"/> Equipment in working order <input type="checkbox"/> Firefighting equipment <input type="checkbox"/> Eye-wash bottles <input type="checkbox"/> Risk assesment attached <input type="checkbox"/> Gas emergency shut-down <input type="checkbox"/> Emergency shower <input type="checkbox"/> Running water	
	<input type="checkbox"/> All students have recieved instruction in basic laboratory safety at AAU, Esbjerg	

Revised September 2013

Date: 5/9-2013

Page: 2/2

**Special safety precautions regarding project work
(to be filled in with supervisor, possibly as attachment)**

Risk assesment regarding: see attachement

Instruction:

- Handling of waste
 Other:

Safety Data Sheets:

Safety Data Sheets are found at www.kemibrug.dk

Login – Username: ESBAAU – Password: ESBAAU

- All safety data sheets are read and printed (may be stored in the yellow binders in the lab)

Filled in by all students:

Approved: ___/___ - 201 Signature: _____

Approved: ___/___ - 201 Signature: _____

Approved: ___/___ - 201 Signature: _____

Approved: ___/___ - 201 Signature: _____

Approved: ___/___ - 201 Signature: _____
